NEW HEAT PUMP CATALOGS NOW AVAILABLE

Are rising utility rates driving up your monthly operating costs? If you are using gas or electric resistance for water heating, Colmac Heat Pumps can save 50% or more on your water heating bill.

Colmac has introduced a new state-of-the-art product lineup for the Hawaii market. The heat pumps have been completely redesigned to incorporate the latest high efficient components and to maximize component layout, functionality and accessibility. The new air source product line features sizes from 4 to 30 tons. The water source product offering ranges from 4 to 120 tons. All of the new models are available with stainless steel cabinets, copper tube/fin coils or special corrosion protection coatings to extend performance and longevity. Whether you are heating water for a small restaurant, laundry or a 40 story building, Colmac has the highest quality and most reliable heat pumps backed by the industry's strongest warranty and Hawaii's oldest heat pump distributor.

FUJITSU INVENTORY NOW ON MAUI

Admor HVAC has a huge inventory of Fujitsu Ductless Split Air Conditioners on Maui. You can now "will call" units right in Kahului. There is not need to wait for Young Brothers shipments from Oahu and then wait in line at the dock. You simply call, fax or email your order to Admor HVAC and then pick it up at our warehouse in Kahului. Your invoice is generated at time of pick-up rather than when the units ship from Oahu giving you several extra days to pay. We can even have the units delivered to your warehouse or any location on Maui. Call Admor HVAC today to place an order or learn more about our new Maui service.

PENN BARRY VENTILATION CATALOGS ARE HERE

Call Charlie Young at Admor HVAC today if you specify or install commercial, industrial or residential exhaust fans. We now have the complete new 3 binder sets in stock. Get all the specification data you need at your fingertips.
