Leonard Louis Ciuffo

Beloved Father, Grandfather, Brother, Dear Friend and our Leader passed away quietly at home on October 29, 2008. Leonard was 78 years old. He was born on July 28, 1930 in Rochester, New York. His parents were first generation immigrants from Tufo, Italy. He married his high school sweet heart Anita in 1953 and served in the United States Navy from 1951 to 1954. Leonard attended the Rochester Institute of Technology and received a Master's Degree in Business from the University of Rochester. He moved to Hawaii in 1968 and became the owner and C.E.O. of Admor Distributors Corporation. Under Leonard's direction Admor quickly became one of the largest appliance and window air conditioner distributors in the State of Hawaii. In 1993 he formed Admor HVAC Products to compliment and diversify the appliance business. The combined companies are now known as the Admor Group.

Leonard will be remembered for his financial genius, thoughtfulness, integrity, huge heart, sense of humor and modesty. We were truly blessed to learn from a man with great character and integrity. Leonard taught us to always tell the truth and how to be fiscally responsible to banks, vendors and our customers. His door was always open to talk about business or personal matters. He was a Mentor to many including myself. His spirit has lifted many of us during both good and bad times. He continuously and calmly guided us

through turbulent times and prepared us - sometimes unknowing for what was ahead. Leonard was a gift from God. Those who were fortunate to know him as a person will tell you that there was no limit to his heart. He loved his family and the business that he built dearly. They were his life. He worked in the office up until one of his last breaths. With honor and dignity he fought to review that last financial statement or list of receivables.

There is not a day that goes by that I do not shed a tear and ask for Leonard's guidance. I am always asking myself "what would Leonard do?". By following Leonard's example I know that we can fulfill Leonard's dream of continuing and growing the business. It is a testament to Leonard that many will live the rest of their lives asking themselves "what would Leonard do?". ***We all miss you and love you LC.***

Leonard Ciuffo is remembered by his daughter Leslie Ann Ciuffo; son, Kenneth Leonard Ciuffo; grandchildren, Jason Clyde Kaaiawaawa Ciuffo, Jessica Ibous Ciuffo, Kenneth Leonard Ciuffo Jr.; great grandchildren, Kekoa Ciuffo Akiona, Kawika Ciuffo Akiona.

Admor Distributors Corp and Admor HVAC Products (The Admor Group) will continue operation under an Employee Stock Ownership Program (ESOP).
