MAHALO FOR A GREAT YEAR!

As we end 2011 and look forward to 2012, all of us at Admor HVAC would like to sincerely thank our customers, vendors and friends who have helped us to grow during these tough economic times. The downturn in residential construction coupled with the weak economy allowed Admor HVAC to look to new avenues for revenue streams and growth. We hired several talented people to pursue new product lines and improve our high level of customer service. We opened Hawaii's first Insulation Superstore and now stock a complete line of residential and commercial insulation products. Where else in Hawaii can you pick up under one roof everything you need to complete an air conditioning job and everything you need to insulate your home or business. Only Admor HVAC! From residential Batt Insulation, to Chilled Water Pipe Insulation, Duct Wrap, Fire Wrap, Fire Stopping, Duct Board, Wall Board, Access Doors, Fire and Sound Rockwool Insulation, Grease Duct Wrap, PVC Elbows, Imcolock and Armacell Insulation, Stick Pins, FoamGlas, Tapes, Sealants and more.

Both our Insulation and HVAC Divisions are stocked full to have the products you need when you need them. Thank you for your continued business, friendship and support.

Congratulations to Ken Kessler of Dorvin Leis Company. Winner of our IPAD 2 Giveaway.
